

KHEMERAK PAV

IT SUPPORT INTERN

Street 598, Phnom Penh Thmei, Sensok | pavkhemerak.official@gmail.com | (855)14-945699 | [LinkedIn](#)

OBJECTIVE

Motivated tech graduate seeking an entry-level opportunity to apply my academic technical skills, grow through hands-on experience, and contribute to the company's growth and success.

WORK EXPERIENCE

Westbridge International School of Phnom Penh – Toul Kork, Phnom Penh

IT Support Intern | *June 2025 – Present*

- **Social Media & Digital Marketing:** Manage the school's official Facebook Page (BM), Telegram Channel, TikTok, and YouTube, including planning content, posting updates, and engaging with the online community.
- **Photography & Media Production:** Capture and edit photos of school activities and events for promotional and communication purposes across digital platforms.
- **IT Systems & Equipment Management:** Maintain and troubleshoot IT equipment including laser/inkjet printers, fingerprint attendance devices, and ensure smooth day-to-day operation.
- Print, and manage ID cards for students and staff to support administrative processes.
- **Website Management:** Oversee the school's website, ensuring timely updates, content accuracy, and improvements to enhance user experience.
- **Security Monitoring:** Administer and monitor the school's CCTV system to ensure campus safety and security.
